## SPONSORSHIP FORM

Your sponsorship support is a valuable opportunity to help broaden the reach and awareness of the rail industry across Western Canada. Our world is changing rapidly – connecting people in our industry will enable the WCRNA to create innovative ways for rail to adapt and grow along with these changes.

Each year a series of networking events will be hosted from a major city in Manitoba, Saskatchewan, Alberta and British Columbia. You are invited to select a sponsorship level that reflects your organization's distinction within the rail industry and/or community.
